DEDICATION

1979—"The last of the seventies," a year that marked the beginning of a new life for Leominster High. It is for that new beginning and your part in it that we give this book to you. Your support and loyalty for the school you love was undaunted through numerous setbacks and struggles. When life at L.H.S. was most difficult you worked long days and nights to help ease the way for our new school. Now that the dream has become a reality, you have chosen this time to say goodbye to your school. It is appropriate, we think, that in this, your "last of the '70's" at L.H.S., we show you by this small token how deeply we appreciate your gifts to us through our four years. To you, Mr. and Mrs. Cousins, we say thank you for giving of yourselves to us and to our school. We wish you good health and happiness in your retirement.

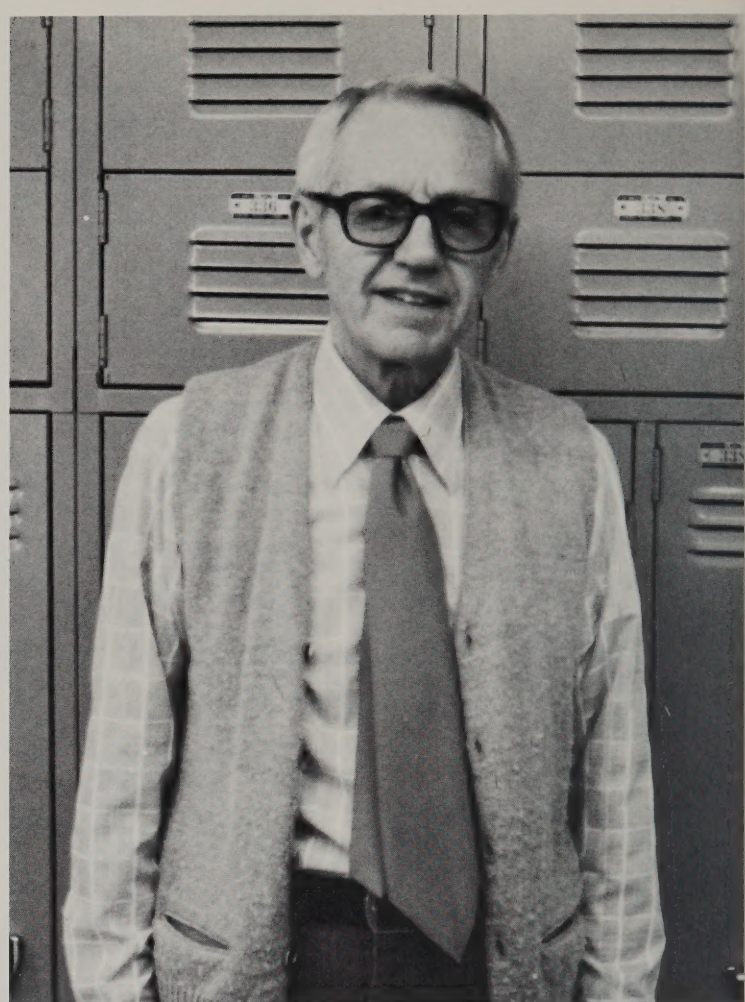

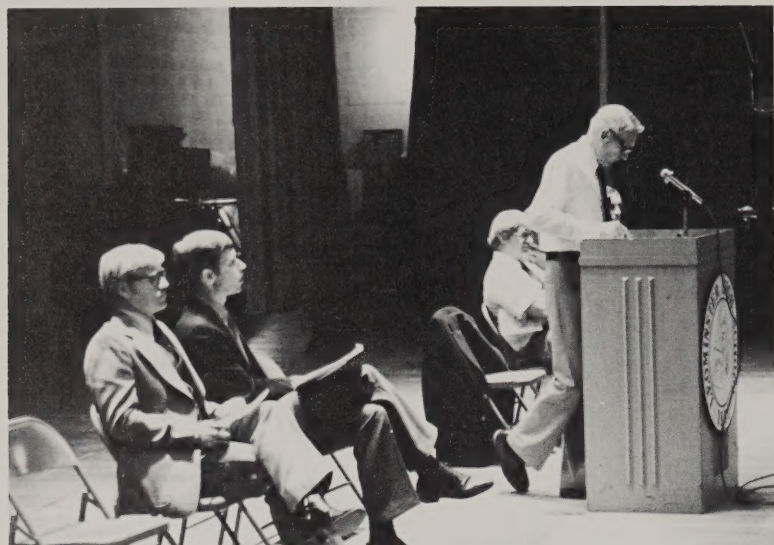

IN APPRECIATION OF . . .

The class of 1979 would like to express its deepest thanks to the entire library staff for all the care and concern they have given to the students of Leominster High these last four years. No part of our school is as representative of the changes taking place in our school as our brand new media center. We will always be grateful to Mr. Robert Bayley, Mrs. Jean Frick, Mrs. Gwendolyn Saunders and Mr. Gerard Aubuchon, our A. V. specialist, for turning a library from a place that merely stores books into a "media center"—a place where students can work, study, learn and have fun. Thank you.

ADMINISTRATION

As you travel the pathways of the future I know that you will have moments when you reflect upon those years spent at Leominster High School. The countless numbers that have preceded you have all experienced the nostalgia that comes with being a part of a proud institution. You will forget the frustrations and the failures but will remember the accomplishments of the classrooms and on the field. The one thing that will always be uppermost in your mind is the pride that you feel — this is my school.

God Bless You All.

ALDRICH V. COUSINS
PRINCIPAL

Congratulations and Best Wishes to the Class of '79. You will be remembered as the first class in nine years to graduate on single sessions. This distinction, however, is of minor significance when compared with the many other accomplishments of your class. The Class of '79 has brought forth a new spirit at L.H.S.; a spirit of commitment and involvement which has been missing in recent years. Your boundless enthusiasm and energetic support for both class and school activities was deeply appreciated. The Class of '79 embodies a perfect blend of tradition and change; students who constantly search for improvement in constructive, rational ways. It has been a pleasure to know you and work with you during the past four years. Best wishes for success in your future careers.

J. Dennis Moore

To the Class of 1979

Congratulations and best wishes to all of you. It was truly remarkable to witness such a smooth transition to single sessions.

The Senior Class is to be commended for providing a mature leadership role for the underclassmen. I've shared many moments of happiness with you and I will miss you.

May the coming years bring you success, happiness and love.

It has been stated that knowledge is of most worth which enables people to do the best that they can, to be fulfilled, to achieve a sense of identity. The knowledge especially to be prized enables people to live close to the upper limits of their physical, mental, and emotional powers. Few people ever reach this ideal; most live far below their potential. My fondest dream is that the education you have achieved to date has provided you with the foundation which will enable you to soar to the upper limits of your abilities.

Congratulations on your graduation and best wishes for success in the future.

CLASS ADVISORS

To the class of 1979:

Four years have quickly gone by and it is now a time to glean the best of the past and to look forward to the future. The times were not always easy, but you learned to make decisions and to cope in difficult situations. You are stronger today for not having had simple answers. We hope, though, that the memories you will keep will be happy ones: of having given the best of yourself, of having shared happy times and laughter with friends, of having accepted and conquered the challenges set before you.

In the words of Peter Marshall, "Let not the past ever be so dear to us as to set a limit to the future." May your years at L.H.S. be your stepping stones to greater goals and higher aspirations. Look ahead with confidence and self-respect to a future that you have the power to make successful and fruitful. Our sincere congratulations and our very best wishes to each and every one of you.

CLASS OFFICERS

(L-R) Scott Stephens, Ann Bergeron, Claire Boyden, Kathleen Kennedy.

As our high school years draw to a close, it is the end of but one chapter in our lives. The memories of these past four years will always remain with us. Even when the going got rough we hung in there and we can honestly say we made it.

The friendships and experiences of these years will serve as the basis for our future. It is time to build upon what we've started, in the event that we may fulfill our goals and dreams.

I thank you, the class of 1979, for letting me be a part of you. Our years together have been filled with so much, and they are ones which I shall always cherish.

Changes

Change (chanj) v. 1. to put or take a thing in place of another 2. to exchange 3. to make different; to alter or vary. — n. 1. variety 2. to do or say a thing in many different ways.

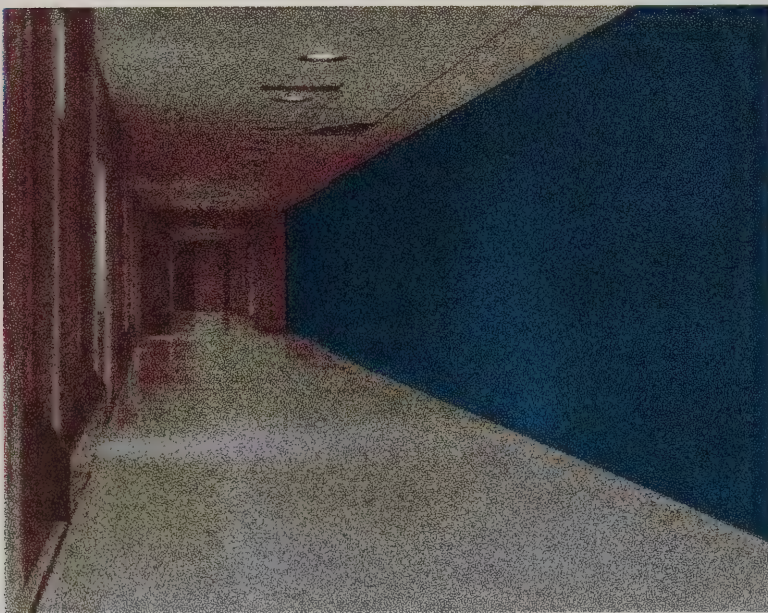

Webster's New World Dictionary of the American Language, 1971

The students at Leominster High in 1979 were probably the most rearranged, and moved about classes in many, many years. The juniors and seniors will remember being on double sessions as far back as the seventh and eighth grades. We have seen late sessions, early sessions, rotating schedules, and drop-a-period-a-day schedules. There was one change after another as we played musical schools and musical sessions for five long years.

Then one summer a couple thousand kids took off on their summer vacation. Some of us were juniors and seniors who weren't too excited about getting up at five-thirty when fall rolled around again, and some of us were freshmen and sophomores who weren't really looking forward to getting out of school at five-thirty at night, either. Little did we know that while we were out swimming, watching t.v. and goofing around, our mild mannered high school was being transformed into a super school.

were everywhere

Finally, September 1978 rolled around and the thousand of kids came back to school, but it had changed. We were coming to school at eight o'clock now, when the sun was up, and going home at two-fifteen. Splashes of color were everywhere: there were orange walls and yellow lockers, blue doors, red chairs, and a purple (with a blue) office. Our classrooms were complete with new room numbers, tables instead of desks, and even wall-to-wall carpeting. We now had a lunch hour now, during which we could sit and talk and have a pretty good time. Some thought we were still waiting for, like the brand new media center that is much larger than the old one and new gym that promises to be amazingly exciting. We are operating on a regular basis, now, and having all our classes over every day makes things a lot easier for everyone. It's wonderful.

The students were not the only ones who experienced changes; the teachers did, too. Now they would never know if it was “those awful morning people” or “those terrible afternoon people” marking up the bulletin boards and writing on the desks. With all the teachers together on one session, it was more like one school instead of two.

In 1979, school was not just someplace you went, it was something you *did*. A place where you studied, made friends, and had a pretty good time once again.

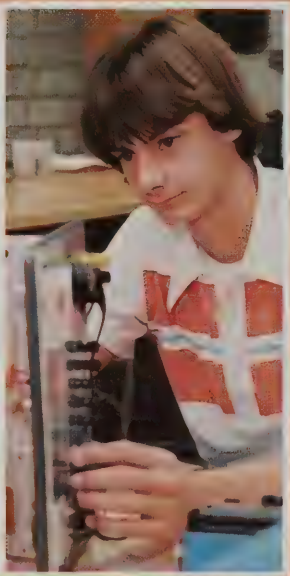

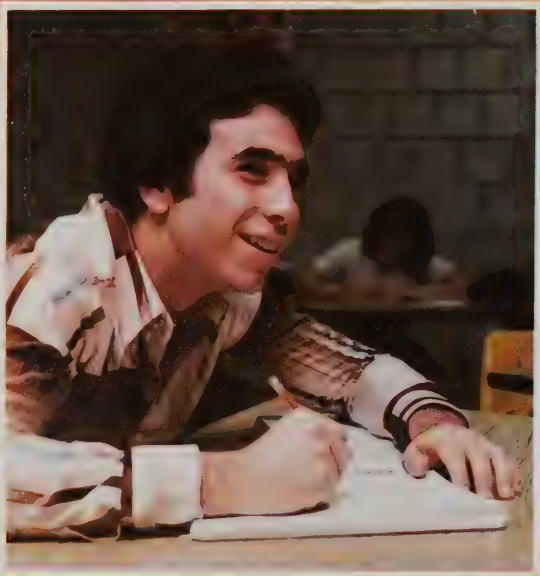

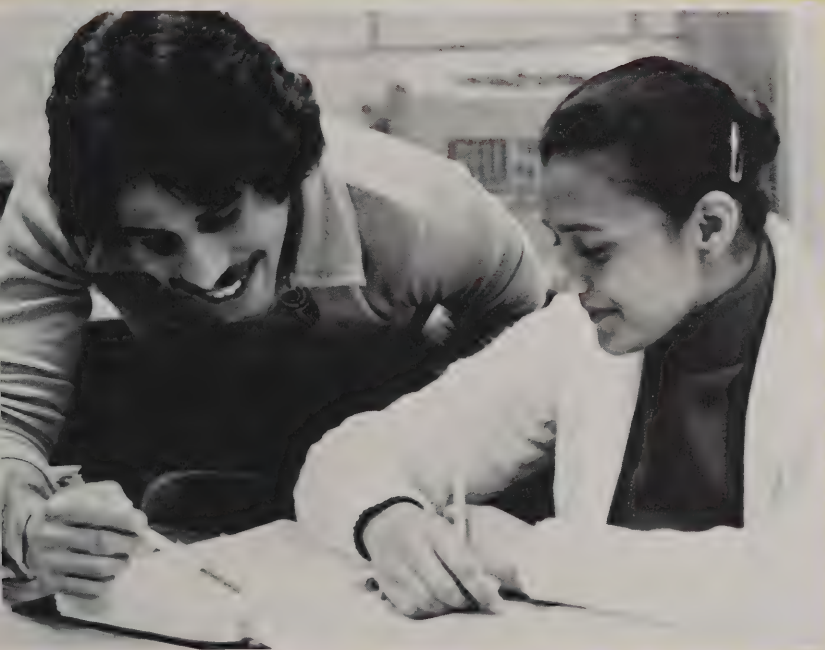

Turn And Face These Changes

The Lemmon High you know is your freshman year is no more! We've got a big new high school now, and we will on a single session. So how much can you remember and how much things have changed by taking this short quiz?

1. Where was the office in the old building?
2. Where was the old's old number?
3. Who was the Anthony?
4. What was the old's old number?

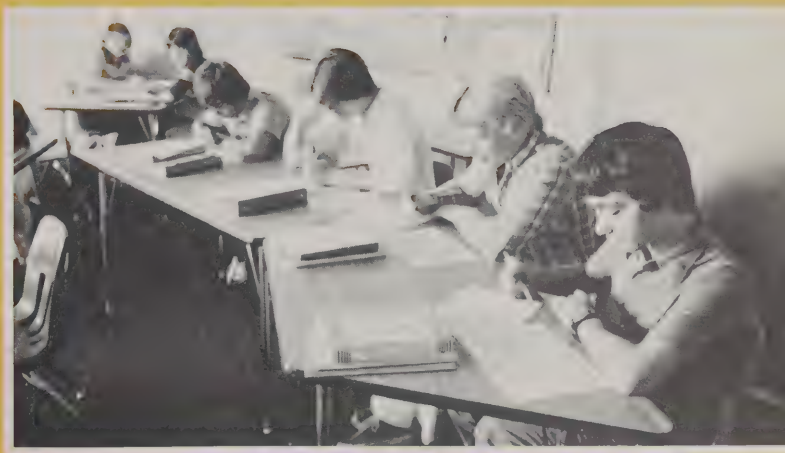

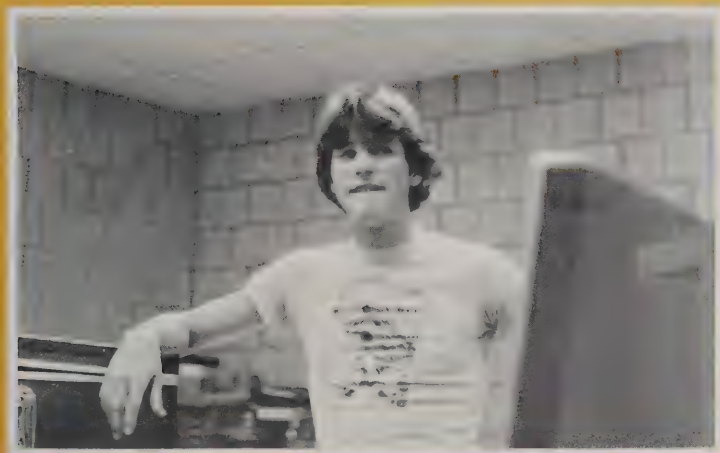

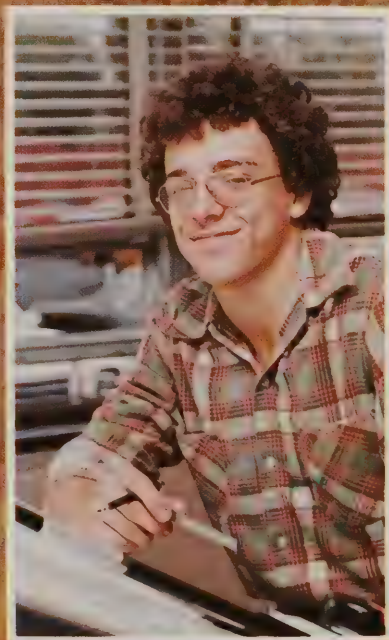

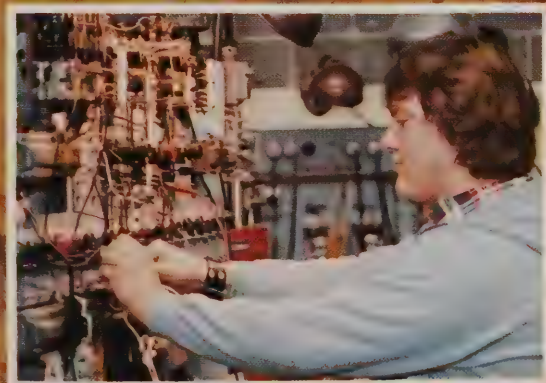

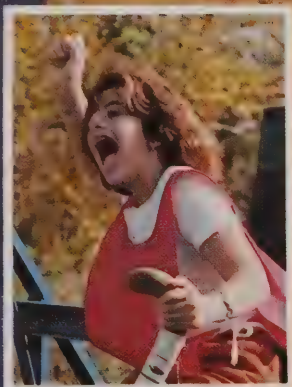

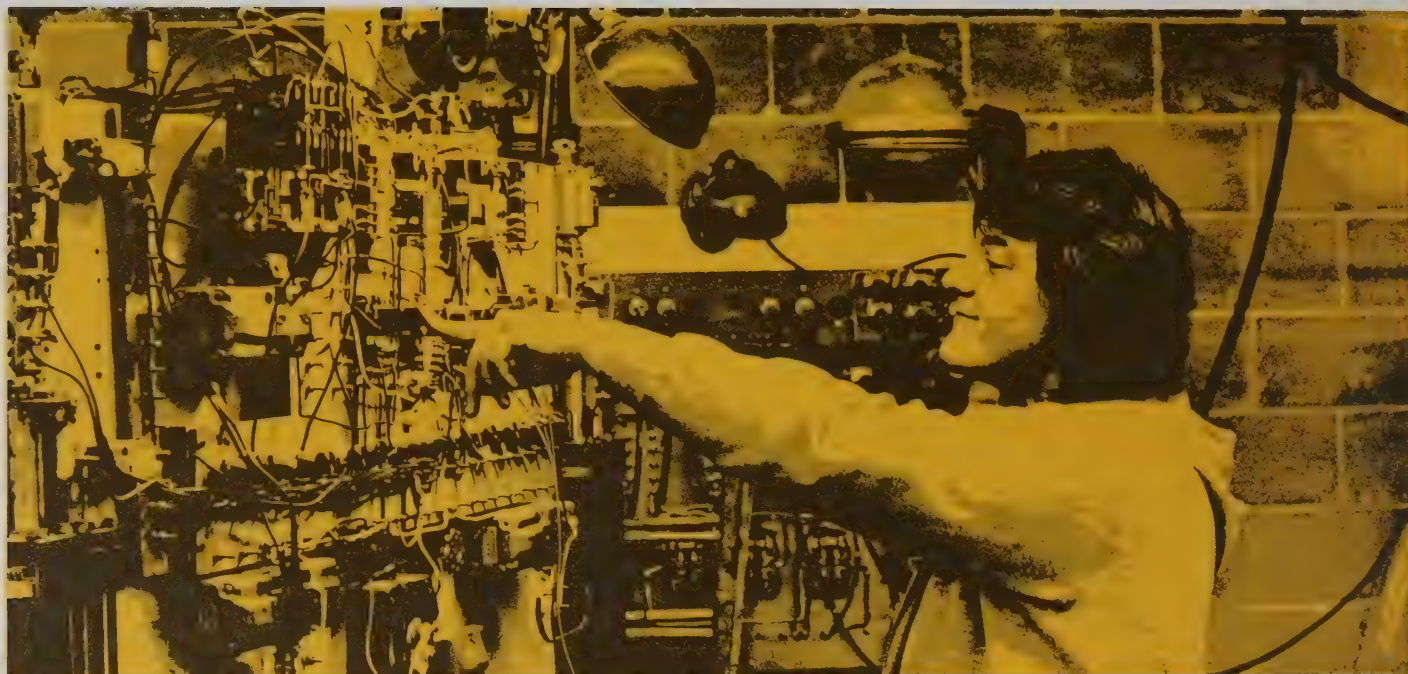

5. What would you do if today were "day 4?"
6. Where were afternoon students sent before school started?
7. What was the difference between home-room period and home 'X' period?
8. What was the old media center called and where was it?
9. Was it ever possible for a student to eat his lunch during study?
10. What were double sessions?

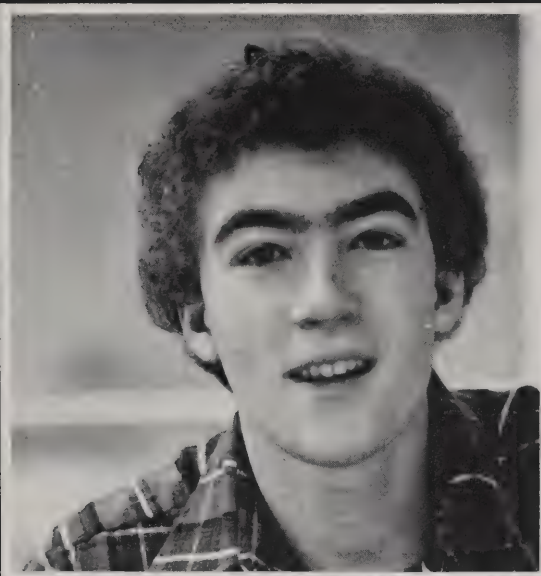

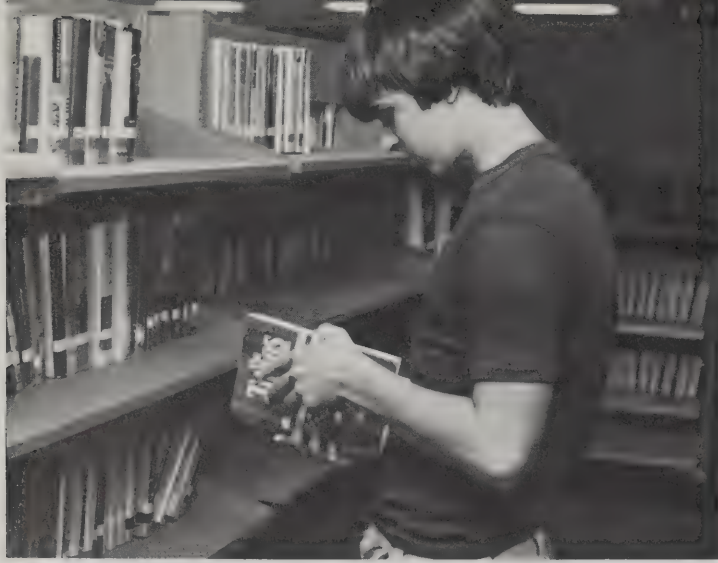

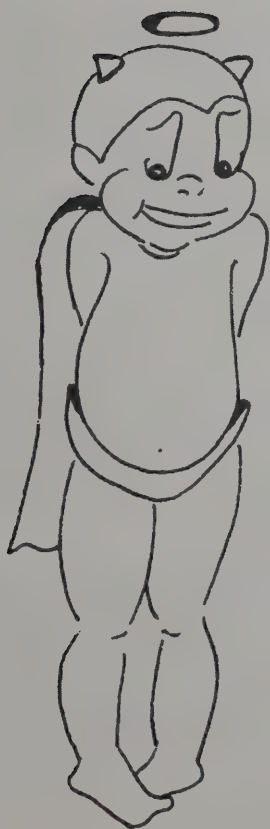

CLASS HISTORY

We, the class of 1979
Have traveled far together
Through good times and bad
With memories that will last forever.
Our first encounter with double sessions was in 1974 at
Gallagher
There we started our journey together as a class
We were the first Freshman class to walk the halls of L.H.S.
It was a difficult adjustment to begin our day at 1:00
Rotating our schedules made our day even more confusing
6:30 rolled around and most went home to a cold and lonely
dinner.
As Sophomores the day began at 12:30 and ended at 5:30
Our day was shortened by dropping a period a day
There was a lot of change taking place around the school
The long awaited construction for our new addition finally
began.

Junior year our time schedule was again different
We attended school from 7:15 to 12:15
It was great to have all afternoon to do as you pleased.
Our job as juniors was to plan the Prom
It was a lot of work but lots of fun.
Finally we became Seniors
Our long awaited journey was almost at an end
Another time schedule was given to us to follow
From 8:45 to 2:15, a normal school day
The School was united from Freshmen to Seniors
All our spirit helped our soccer team to win the State
Championship
It also pulled us through to a Thanksgiving victory with
a score of 3 to 0 in overtime.
As an undefeated team we went to the Superbowl and won
in overtime - 13 to 6.
This proved that our spirit soared.
After June 10th we'll part our ways
And though we may never be fully united again
Our times spent together will always keep our memories alive.

SKI CLUB

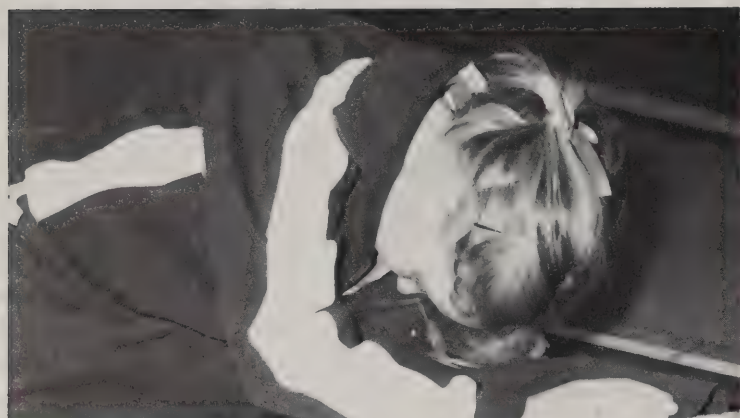

The Leominster High School Ski Club is quite active during the fall and winter seasons. Officers are elected in the fall, and fund raising activities are planned. Club members participate in a variety of activities such as selling balloons and bumper sticks and apple picking. After all the work comes the skiing. Our trips are limited to Vermont and New Hampshire. Much preparation goes into the planning and organizing of a skiing trip by our advisor, Mr. Cavanagh and the club officers.

CHESS CLUB

The L.H.S. Chess team has established itself as the powerhouse of scholastic chess in the Montachusett area. Despite early-season defections and lingering disappointment about losing in the championship rounds the last two years, this year the team has easily defeated all teams in North Worcester County Chess League play. The team is looking forward to the intense competition they will encounter when they play for the district and state championships. Led by captain Michael Prince, most of the players on this year's team will be back next year to carry the banner of L.H.S. into victory again.

BLUE WAIL

The Blue Wail began the 1978-1979 year by plunging into new facets under the direction of a new advisor. They began yearly subscriptions, new photographic processes, and several types of advertising. The paper has kept afloat because of the extreme efforts of the two editors and a few reporters. The staff anticipated a year of growing popularity and quality. They succeeded.

G.A.A.

The Girls and Guys Athletic Association, which has just completed its 24th year, is one of the most popular clubs at Leominster High.

As each year has passed, our club has grown not only in activities and scholarships but in friendships.

Some of our events include the Car Rally, Father-Member Night, the Mother-Member Social to honor our mothers, and our Annual Banquet to complete the year.

Under the direction of Mr. Egidio G. Bisceglia and Drum Major Nunzio Rosselli, the Leominster High School Marching Band had a very successful year playing at the football games and performing during the half-time show.

After the football season ended, the band began preparing for their Christmas concert. The concert was held December 13, 1978, in the Leominster High auditorium and was enjoyed by all who attended.

With the end of the Christmas season, the band began preparing for their exciting spring season. The band performed at a few concerts during the year. They also marched in several local parades and in the anniversary parade in Lunenburg. In conclusion there were trips for the band that will long be remembered by all who participated.

The Magnet staff consists of a very small group of students who dedicated themselves throughout the year to attend numerous meetings. Nothing could stop them, whether it was a night they froze standing outside waiting for a janitor to open the door, or the many hours spent on "those Saturday Nights" at Kathy's. These people deserve credit, because without them and our faithful advisors, Linda Douglas and Sandy Sciabarrasi, this yearbook would have been a dream and not a reality. At this time I would like to express my gratitude to Sandy, especially for all the patience she gave to our staff. For this, our staff would like you to know we will never forget it.

Kathy

OUR SPECIAL THANKS

Another year of "yearbooking" has come to an end and it is time for us to say thank-you. There are some members of the yearbook staff who deserve many thanks. For doing the hard part, we say thank you to Linda Gaudet, Anna Bisol, Mark Twichell, Karen Camp, and Kim Sawin.

A special thank you to Paula Stebbins for all the beautiful artwork in our yearbook (much of which was done at last minute's notice.)

To Judy Roffee, Rich Piermarini, and Tom Knight we say thank you for pitching in at the crunch and photographing and developing our pictures. And a special thanks to Mr. Baker for allowing us to tie up the darkroom for several days.

For all their time and hard-work on this yearbook we say thank you to Jeff Foster, Mike Marini, and Mr. Robert Hemenway.

To Alice Kornitsky we also say thank you for all the time and effort she devoted to the book as Loring correspondent. Most importantly, our thanks to our Editor, Kathy Jacques and to her mother, Mrs. Claire Jacques for opening her home to the yearbook. Our fondest thank-yous.

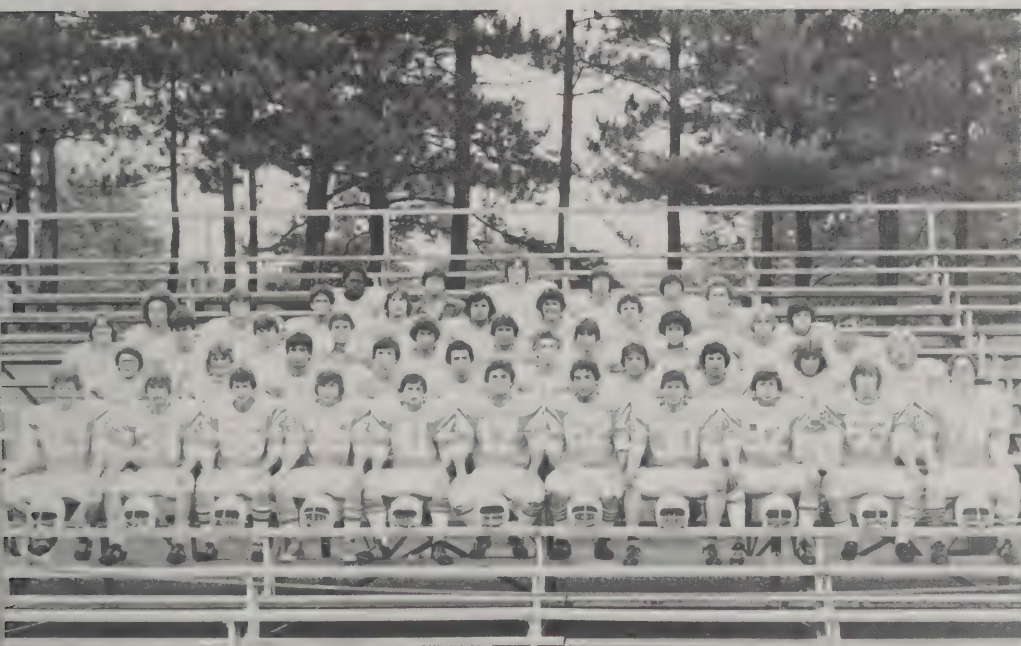

FOOTBALL

The 1978 Varsity Football team became one of only three teams since 1894 to finish the Leominster football season with a perfect 11-0 record - no losses and no ties. The season began with a convincing win over St. John's, the defending Central Division I Mass. Champions; continued through the middle of the season with an outstanding 17-0 victory over Eastern Mass. powerhouse, Brockton; and finished up with an overtime 3-0 victory over Thanksgiving rival Fitchburg and a Superbowl 13-6 overtime victory over Milford for the Division I State Football Championship Trophy.

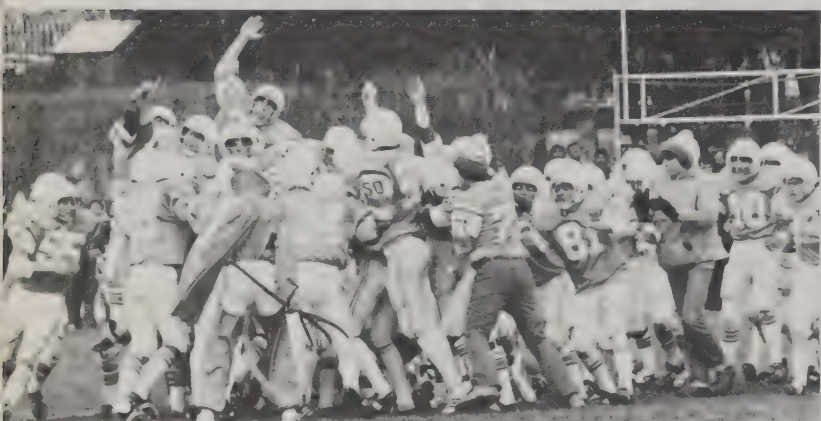

There were many bright moments along the way to such an outstanding season. Perhaps the brightest was the thrilling 3-0 overtime victory over Fitchburg on Thanksgiving morning. This was the 6th straight year that Leominster has beaten Fitchburg in the second oldest rivalry in the nation.

Many individuals were involved in the success of the 1978 football team, as witnessed by the boys who were chosen to the various all-star teams. Each of the following boys was chosen to at least one all-star team: Doug O'Donnell at QB, Tony Carmadella at HB, Chris Daignault at End, Paul Becotte at Tackle, Mike Hannigan at Guard who all made an offensive team. Jay Arsenault at End, Dave Brow at Tackle, Joe Veneziono at noseguard, Andy Ahola at LB, and Frank Novak at Safety all made the defensive team.

The 1978 Varsity Football Team has certainly left its mark in the history books and will go down as one of, if not the greatest, football teams in the history of Leominster High School Football.

SOCCER STATE CHAMPIONS

The 1978 LHS soccer team had its best season ever by capturing the District III championship and the State Division I Soccer Title. This distinguishes Leominster as the first Central Mass. team to win the state championship.

The team lost its first two games, but then went on to compile a 20 game unbeaten streak for overall record of 17-2-3. Key wins over St. John's and Fitchburg enabled the Blue Devils to gain the CMC crown. They finished with a league record of 9-0-1.

In district championship play, the Devils won hard fought games against Wachusett, Worcester North, and Marlboro. In the state semifinal match, Leominster upset a highly favored New Bedford team, 2-1. The team proceeded to the final game in which they outplayed a rugged Wakefield team, 1-0.

FIELD HOCKEY

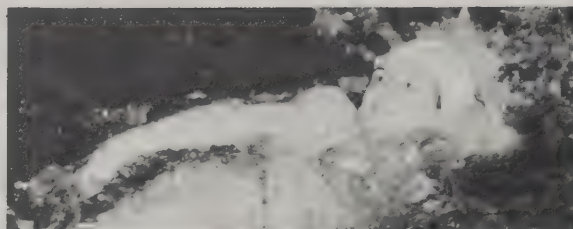

Front Row: (L-R) Diane Newell, Lynn Denning, Joan Brideau, Karen DiNardo, Brenda May, Sue DePasquale, Louise Samia. Second Row: (L-R) Jaye Jillson, Tracy Rigopoulos, Kathy Rivett, Karin Marino, Barbara Drury, Coach Mrs. Pothier.

Although the Leominster Field Hockey team did not have a winning record this season, the caliber of play was excellent. Five of our players were named to the Central Mass Conference teams. Named to the All-Star team were: Kathy Rivett and Lynn Denning. Honorable mention went to: Joan Brideau, Brenda May, and Diana Newell. The team maintained good enthusiasm and fine spirit of team play under the leadership of the co-captains: Karen DiNardo and Joan Brideau. High scorer for the season was Brenda May. All in all, with the call of "Wee-Be-Doo" and the constant voices of our coaches Mrs. Pothier, "Lady," and Miss Ciccone, "Miss C" it was a very good year!

GIRL'S SWIMMING

First Row (L - R) Nancy Kelly, Co-captain Sallie Thomas, Debbie Jenkins, Co-captain Sharon Mullany, Helen Jablonski, Anne Brault, Cecile Richards. Second Row (L - R) Lisa Kovetz, Elsa Jablonski, Betsy Bird, Carol Heffelfinger, Lisa Suyemoto, Sylvia Burns, Kathy LeDuc, Erin Carrol. Third Row (L - R) Julie Lanza, Maria Gagne, Julie Flanagan, Debbie Corliss, Nancy Birtwell, Pat Wheeler, Tristan Lemoine, Toni Salvatore. Fourth Row (L - R) Coach Shaun Jacobs, Maria Foss, Peg Smith, Jane Colcord, Julie Lavin, Ellen Faye, Carolyn Padavano, Colleen Smith, Carol Barron.

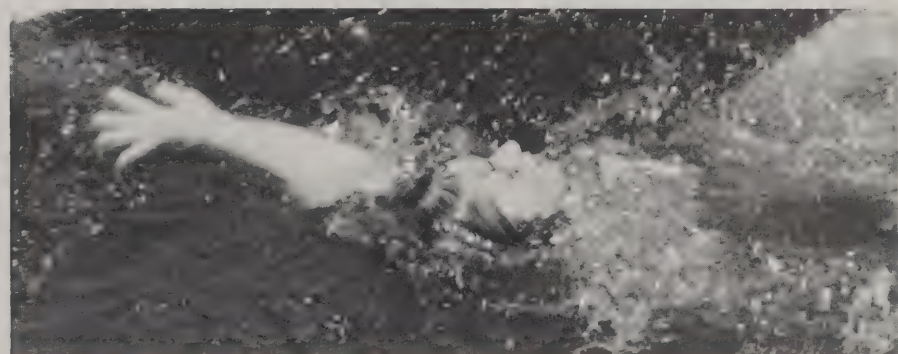

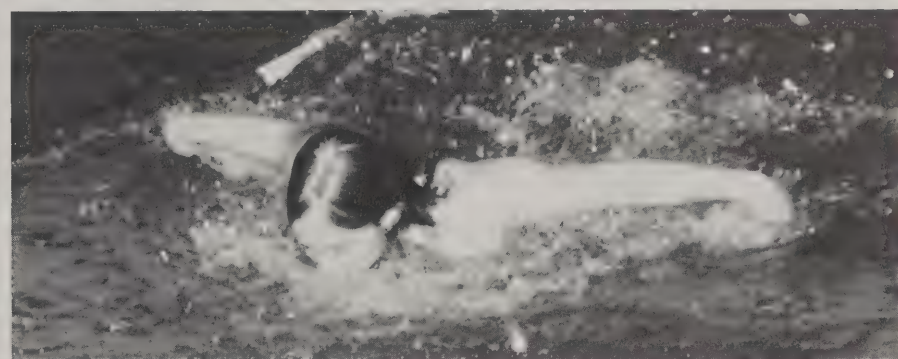

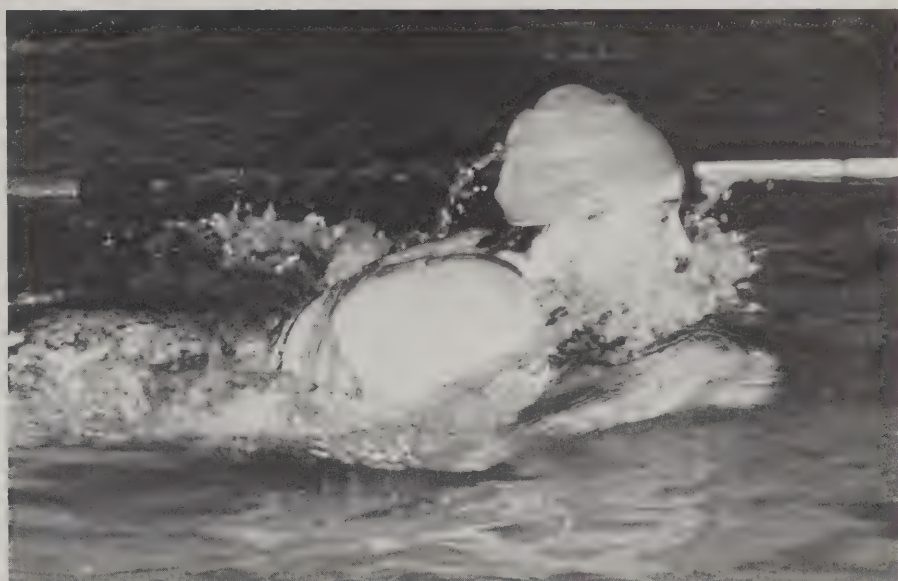

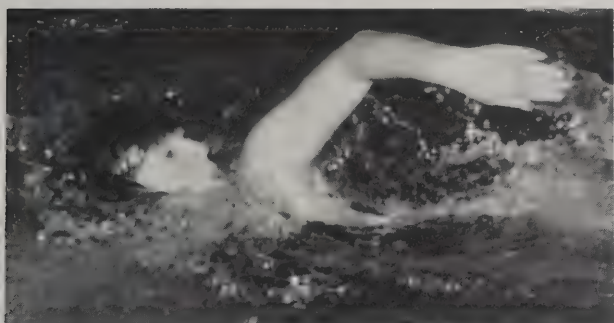

This year's Girls Swim Team met with a disappointing season. In their ten meet schedule, they had one significant win over arch-rival Fitchburg. The season did not reflect the hard work and dedication put forth by the individuals on the team.

In the area of individual competition three team members, Junior, Colleen Smith; and Freshmen, Peg Smith and Erin Carroll, were entered in the Eastern Championship at Milford.

The most valuable player award went to Junior, Colleen Smith, and the most improved player award went to Senior, Debbie Jenkins. The team thanks Coach Shaun Jacobs for her help and support throughout the season.

BOYS CROSS COUNTRY

BOTTOM ROW: Biran Drury, Jeff Aikey, Chris Phillips, Steve Baron, Tim Swart. TOP ROW: Coach Cleaves, Ken Gulliver, Paul Gagnon, Ron Millette, Rick Marciano, Doug Page, Jeff Proos, Coach Pitre.

After a slow start in the early season, the team gained cohesiveness and went on to win three of their last four meets. In the process, the 2.7 mile dual meet course record fell twice. Tim Swart, a senior running his first year of cross-country, set the course record of 14:30.8, only to have it broken a week later by junior Rick Marciano, who established a 14:15 mark. Co-captains, Steve Baron and Chris Phillips, were the number 3 and 4 runners during the season with junior Paul Gagnon running in the 5 position. Both Steve and Chris recorded personal bests in the Lunenburg Invitational. Rick and Tim earned league all-star status with Tim placing fifth and Rick placing sixth in the CMC League meet. Rick ran an outstanding race in the District III finals and this enabled him to qualify for the state meet, where he placed 75th overall.

GIRLS CROSS COUNTRY

For the second time in the 3 year history of girls cross-country at Leominster High, the team qualified for the District III finals. Although posting a losing record of 3-8, the girls had many individual accomplishments. Norma Cote ran in the team's number one spot all year, setting a new girls record over the 2.7 mile course. Norma obtained CMC all-star status with a fourth place finish in the CMC league meet. Senior Judy Roffee was league all-star with a 6th place finish in the league meet. Senior Colleen Mason posted her best finish ever in the District III trials and recorded the best times of her cross-country career. Injuries forced senior Sue Ryder to sit out most of the season and her loss as a competitor was greatly felt, but she continued as a team member to support, cheer and contribute to the team's efforts. Newcomers Lisa Bissonnette and Ingrid Phillpotts had outstanding rookie years and posted some of the best times of any sophomore girls ever to run at Leominster High.

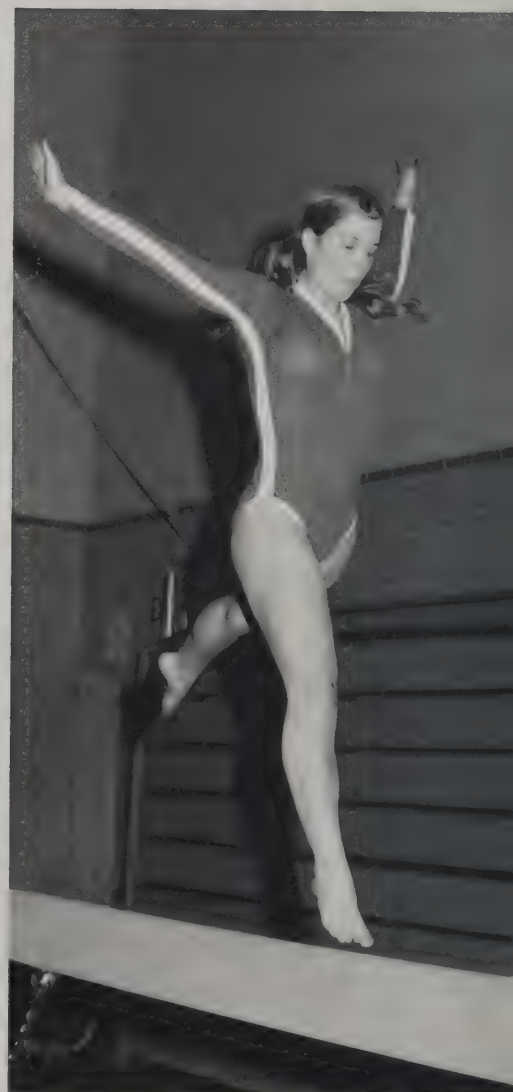

BOTTOM ROW; L-R: Norma Cote, Colleen Mason, Judy Roffee, Sue Ryder. TOP ROW; L-R: Coach Cleaves, Dawn Beven, Ingrid Philpotts, Theresa Carrigan, Lisa Bissonnette, Coach Pitre.

BOYS' BASKETBALL

KNEELING IN FRONT: Co-Captains, Chris Daignault and Jay Arsenault. STANDING BACK L—R: Glen Copeland, Assistant Coach Tony DiNardo, Joe Santucci, Genorace Armstrong, Leslie Skinner, Don Chamberlain, Mark Dickinson, Luke Allain, Tom Daignault, Coach Ron Mazzaferro, Dan LeBlanc.

For the first time in five long years the well drilled and and very exciting Blue Devil Basketball Team defeated arch-rival Fitchburg High by a very impressive 65 to 60 score.

The basketball team participates in probably the best basketball league in the state and in doing so came up with the biggest upset in the Central Massachusetts Conference by knocking off Division I leader and previously undefeated powerhouse Holy Name! The winning basket came with only two seconds left: a smooth and crisp pass by Genorace Armstrong to rugged center Mark Dickinson who layed the ball up and in for a B-I-G 66-65 win. The win, no doubt, was one of the most significant in all of Blue Devil Basketball history.

Other key victories to date were two league victories over cross-town rival St. Bernards and a high scoring 85-68 thrashing of Shrewsbury High.

Coach Ron Mazzaferro is very pleased with the great effort the team has given and said: "This team doesn't know the meaning of the word quit. It is a pleasure to coach such a fine group of young men." High scoring Genorace Armstrong leads the team in that capacity with a 22.1 point per game average. Mark Dickinson (12.9 average) and Armstrong (14.0) lead the team in rebounding.

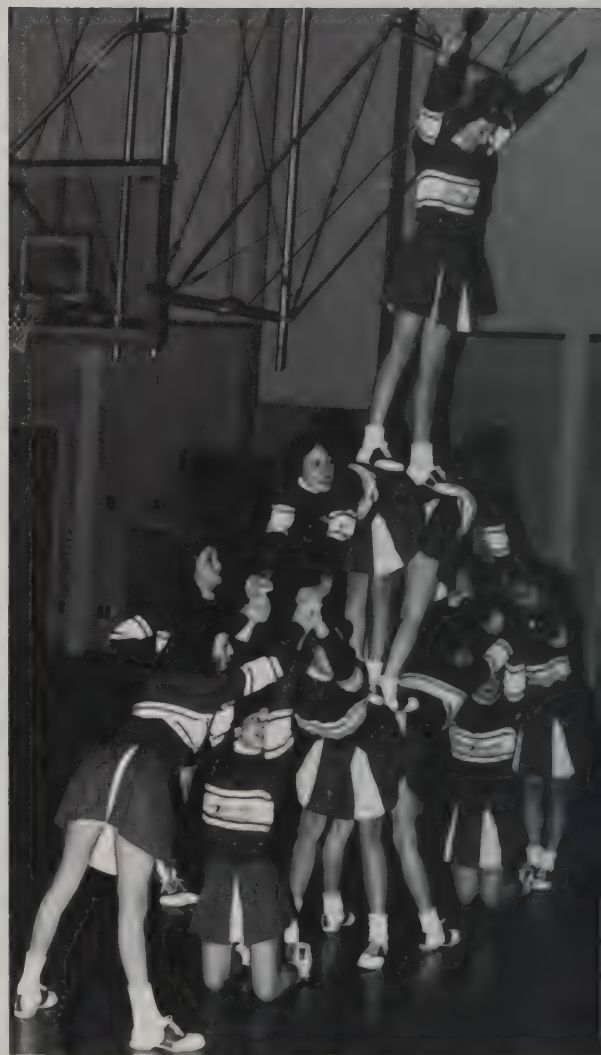

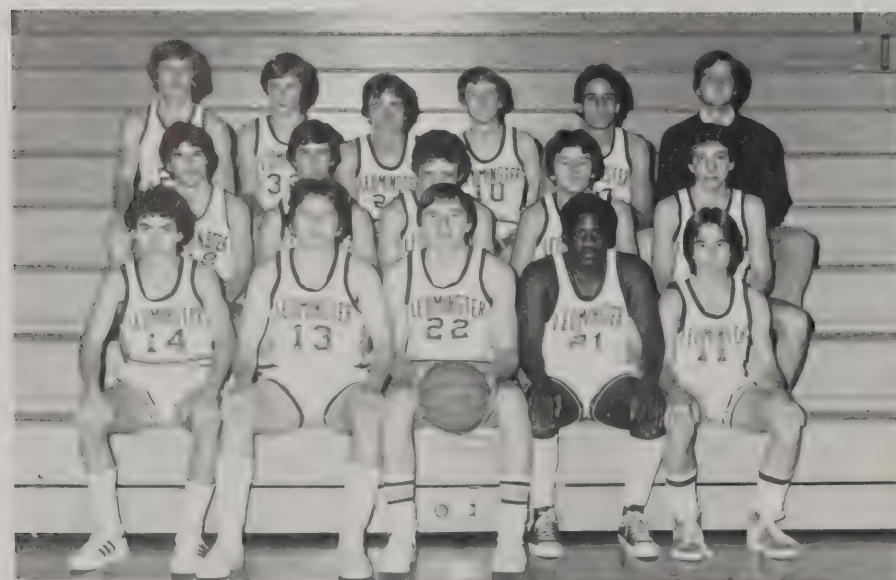

Hustling co-captain Chris Daignault leads the team in assists. Co-captain Jay Arsenault and junior forward Luke Allain have come up with big plays throughout the season.

G.	Chris Daignault	5'10"	Sr.

As Coach Mazzaferro said: "This team has made basketball very interesting and most exciting for the people of Leominster."

THANKSGIVING RALLY

The 1978 version of the Thanksgiving Rally carried on the tradition of spirit and L.H.S. pride in true Blue Devil fashion.

Despite the carrying on of the "band members" and various "macho men" the performers did not lose sight of the real reason behind this annual event—to spur the mighty Blue Devils on to another Thanksgiving Day victory. The Devils met the task, defeating Fitchburg for the sixth straight time.

SENIOR CLASS PLAY

This year's senior class play, *The Diary of Anne Frank*, was presented by the class of 1979 in the Leominster High School auditorium on December eighth and ninth. It was a sensitive and touching drama involving a family of Jews hiding from the Nazis during the Second World War. Despite its serious theme, the play provided many warm and humorous moments; a beautiful, realistic portrait of family life that will remain timeless.

The actual production was very difficult to stage; almost all of the characters were required to remain on stage at all times, even to change costumes. However, with the help and cooperation of many, many, people, *The Diary of Anne Frank* was truly a play of which the entire school could be proud.

THE DIARY OF ANNE FRANK

This year's Zalmair Shepherd Awards were presented to the following seniors:

Best Actress: Ann Bergeron

Best Actor: Timothy Swart

Best Supporting Actress: Ann LeBlanc

Best Supporting Actor: Gary Dean

Special thanks must be extended to Mrs. Louise Thomas and Ms. Martha Pitre for their unfailing encouragement and support; to Dave Brow for designing and building the complex set; to Christine LeBlanc, the lighting technician; to the Student Director, Sue Levine, and to all other patrons and supporters who made the production possible.

INITIATION

The logo is a circular emblem. The outer ring contains the text 'LEOMINSTER' at the top and 'TRADE' on the right, 'HIGH' on the left, and 'SCHOOL' at the bottom. Inside the circle, there are several tools: a hammer, a hand saw, a wrench, and a screwdriver, all crossed in the center. A lightning bolt is positioned on the left side of the inner circle, and a stylized atomic symbol is at the top.

DEDICATION

We, the class of 1979, dedicate this yearbook to William Johnson. Mr. Johnson spent 34 years of his life working with the young people of Leominster as an instructor of carpentry skills and as a teacher of students with special needs. Mr. Johnson's contributions go far beyond that of a teacher. He has been a friend to his students and has tried to instill the values of the world of work and industry. It is with great pleasure that we in turn, are able to dedicate this yearbook to a man who has dedicated his life to us and our school.

Cooperative vocational education provides an excellent vehicle for students to develop desired vocational capabilities through a program which balances the acquisition of skills learned on the job with related skills and information learned in the classroom.

All students are screened by their instructors and coop-coordinator in regards to their grades, absenteeism, tardiness and overall discipline.

Permanent employment for coop-students has in the past been very high percentage-wise therefore; we feel sure the same will hold true for this years coop-students.
